**Internships**

**Judge Vargas is currently accepting applications for Spring 2027 interns by email. Judge Vargas will begin reviewing applications for Summer 2027 internships in mid-January 2027.**

Judge Vargas accepts internship applications for both term-time and summer positions on a rolling basis until filled. All internships are unpaid positions.

**Application Process**: Judge Vargas accepts applications for internships only by email. Preference is given to 2Ls and 3Ls, although 1Ls are invited to apply. Interested applicants should apply to the email address above. Emails must include the applicant's name, the term for which the intern is applying (e.g., "Spring"), and the word "Internship" in the subject line. **Applicants should not submit hard copy applications by regular mail, and they should not call Chambers to inquire about their application.** Applications will be reviewed on a rolling basis and offers may be made at any time.

**Application Materials**: Applications must include: (1) cover letter; (2) resume; (3) official or unofficial law school transcript; and (4) one sample of legal writing. Please attach all application materials as a single PDF.

Judge Vargas encourages applicants from diverse backgrounds and experiences to apply. Applicants are invited to include, in the cover letter, their personal narrative, career goals or other relevant background information that does not appear elsewhere in the application.
