IN RE: Hon. Philip M. Halpern

STANDING  
ORDER  
M10-468

Effective Monday, March 16, 2020, The Hon. Philip M. Halpern will begin work as a United States District Judge. Judge Halpern’s official duty station is the Charles L. Brieant Federal Building and Courthouse in White Plains. However, due to construction at the White Plains courthouse, Judge Halpern will occupy temporary chambers in the Daniel Patrick Moynihan Courthouse in lower Manhattan until further notice.

Judge Halpern will draw cases designated for the White Plains Courthouse and will be reassigned cases from the White Plains judges in order to establish his initial docket. Counsel should review Judge Halpern’s Individual Practices for information about how to communicate with chambers and where to mail documents. They should follow the instructions of chambers staff about where to make appearances.

If your case is assigned to Judge Halpern, please do not make an application to have the case transferred to “the White Plains courthouse.” Any case assigned to Judge Halpern is a “White Plains” case in conformity with Rule 18 of the court's Rules for Division of Business Among Judges. The court’s Assignment Committee will not transfer a case assigned to Judge Halpern to a different White Plains judge.
